¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

Principle 1 – Lay solid foundations for management and oversight <i>A listed entity should clearly delineate the respective roles and responsibilities of its board and management and regularly review their performance.</i>			
1.1	A listed entity should have and disclose a board charter setting out: (a) the respective roles and responsibilities of its board and management; and (b) those matters expressly reserved to the board and those delegated to management.	Complying	The Board has adopted a charter which establishes the role of the Board and its relationship with management. The primary role of the Board is the protection and enhancement of long-term shareholder value. Its responsibility is the overall strategic direction of GLG. The functions and responsibilities of the Board and management are consistent with ASX Principle 1. A copy of the Board Charter is available on the Website. As the Board acts on behalf of the shareholders and is accountable to the shareholders, the Board seeks to identify the expectations of the shareholders as well as other regulatory and ethical expectations and obligations. In addition, the Board is responsible for identifying areas of significant business risk and ensuring arrangements are in place to adequately manage those risks.
1.2	A listed entity should: (a) undertake appropriate checks before appointing a person, or putting forward to security holders a candidate for election, as a director; and (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.	Complying	The Board has a formal Nomination & Remuneration Committee (NRC). The Nomination & Remuneration Committee's functions and powers are formalised in a Charter and is posted on the Website. It is the role of the Nomination & Remuneration Committee to identify suitable candidates to complement the existing Board, to undertake appropriate checks on the candidate; to seek confirmation from the candidate that he/she will have sufficient time to fulfil his or her responsibilities as a director; and subject to the results of such checks and confirmations, to make recommendations to the Board on their appointment. The Company provides information to shareholders about Directors seeking re-election at the annual general meeting to enable them to make an informed decision on whether or not to re-elect the Director, including their relevant qualifications and experience and the skills they bring to the Board; details of any other listed directorships held by the Director in the preceding 3 years; the term of office already served by the Director and whether the Director is considered to be independent.

ASX Recommendation	Status	Reference / Comment
1.3 A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.	Complying	Each Director is given a letter upon appointment which outlines the Director's duties, obligations, remuneration, expected time commitments and notification of the Company's policies. Similarly, senior executives, including the CEO and CFO, have a formal job description and services agreement describing their term of office, duties, rights and responsibilities, and entitlements on termination. The company will disclose the material terms of any employment, service or consultancy agreement it enters into with its CEO (or equivalent).
1.4 The company secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board.	Complying	The Company Secretary is responsible for co-ordination of all Board business, including agendas, board papers, minutes, communication with regulatory bodies, ASX and all statutory and other filings. The Company Secretary is accountable to the Board, and all Directors have access to the Company Secretary. The decision to appoint or remove the Company Secretary is to be made and/or approved by the Board.
1.5 A listed entity should: (a) have and disclose a diversity policy; (b) through its board or committee of the board set measurable objectives for achieving gender diversity in the composition of its board, senior executive and workforce generally; and (c) disclose in relation to each reporting period: 1. the measurable objectives set for that period to achieve gender diversity; 2. the entity's progress towards achieving those objectives; and 3. either: A. the respective proportions of men and women on the board, in senior executive positions and across the whole organisation (including how the entity has defined "senior executive" for these purposes); or B. if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in and published under that Act.	Complying	The Company is committed to the principles of employing people with a broad range of experiences, skills and views. All executives, managers and employees are responsible for promoting workforce diversity. The Company has adopted a Diversity Policy which can be viewed on the Website. The Board is considering other means to encourage diversity. The Company recognises the benefits of a diverse workforce and is committed to providing an environment that encourages diversity. The Board monitors the diversity profile of its workforce. As the Company already has gender diversity as evidenced by the proportion of women reported below, the Board has not set any measurable objectives. There are currently 2 female Executive Directors, 1 male Executive Director and 2 male Non-Executive Directors on the Board. The Company discloses the respective proportions of men and women in senior executive positions and across the whole organisation within its Statutory Report. The Company is not considered a "Relevant Employer" under the Company's Workplace Gender Equality Act (WGEA) and therefore has not lodged a WGEA Report for the 2024/2025 period.
